At least 3	1.40
At least 4	2.25
At least 5	4.00

Up to  
**600+**  
bets per  
game

## BETTING ON THE WORLD'S MOST EXCITING PLAYERS

Will Haaland have more than five shots on goal today? How many points will Stephen Curry score tonight? Sports fans love to debate how their favourite stars will get on – and to spice things up with a bet or two. Player Markets gives them the perfect opportunity to get in on the action, with a huge range of options on sports from the US and other popular markets.

Available sports:

Soccer    Baseball    Basketball    Football    Hockey

**1X2** 600+ bets a game - covering NFL, NBA, MLB, NHL as well as top soccer leagues like the Premier League, La Liga, Serie A, Bundesliga, and Champions League

 No extra work for you as we create, manage and settle markets ourselves

 The sharpest prices thanks to our cutting-edge odds models and a team of traders monitoring all the latest news and action

 Always being updated – we've recently added the NHL with the following markets: Points, Assists, Goals, Shots on Goal, and Saves

## Bet types

Player Markets currently includes two bet types: “at least” and “over/under. Both focus on how a specific named player will perform: such as a player to rush for “at least” X number of yards, or score “over” or “under” X number of points in a game.
